Peter Riddall, Principal

June 27, 2008

Dear Parents:

As many of you know, June 30, 2008, will be my last day at Alexandria!!!

After 38 years in the Los Angeles Unified School District, I am retiring and going off to new adventures. Alexandria has been a special place for me. Like so many of you, I am also a former student here! Your children are wonderful and I have enjoyed working with them. I have used the slogan, "Work Harder, Get Smarter," because our students, with hard work, can attain all the goals that we have plan for them. Thank you for supporting me and all our goals for improving student achievement!!!

Mr. Steven Edo will be the new principal beginning on July 1, 2008. Ms. Jarakian and Ms. Lauridsen will continue as Assistant Principals. Please give them all the support that you have given to me.

I wish the families and the entire staff of Alexandria, all the best and a great future to everyone!!!

Sincerely,

A handwritten signature in cursive script that reads "Peter Riddall".
