

## Book Report

**Title:** Charlotte's Web

**Author:** E.B. White

**About the book:** This book is about a spider that saved a pig's life.

**Summary:** Once there was a girl named Fern. She had a pig named Wilbur. Wilbur met Charlotte, a spider. On the farm there are different animals. Their names are Goose, Templeton, Lamb, Cow, Gander, and Rooster. Mr. and Mrs. Zuckerman were owners of Wilbur. Mr. Zuckerman was going to kill Wilbur. Charlotte tried to save Wilbur's life. Charlotte started to write to words to Wilbur. By the end Charlotte didn't have any strength left, so she died. Before she died, she had 514 children. Wilbur only stayed with three spiderlings.

**Opinion:** I think that Charlotte was a good friend and she died while helping him.
